

Welcome to Easter playscheme at Whittington Park Community Centre

Ofsted Reg number - EY432962

Welcome to Easter playscheme and a programme of educational & fun activities! We look forward to meeting you all! Our aim is to keep your child safe & entertained during this time; we will stay in the community centre hall at all times.

Please ensure you have booked all the childcare you require in advance via our online system Clubs buddy. You must complete the registration form to include details including contact telephone numbers, details of your child's medical and SEND if applicable. If your child needs medication for any medical conditions e.g. asthma pump, EpiPen these must be sent with your child and given to staff. Please also supply your child with a change of clothing if you feel this may be necessary. When you collect your child, please wait in the hall lobby and we will escort your child out to you.

We will provide your child with a healthy lunch & light breakfast, usually toast. There will also be fruit & toast for an afternoon snack. Please ensure you let us know about your child's dietary requirements. As it is Easter, we may celebrate with a few chocolate treats but please let us know if you prefer your child to have a healthier option.

We open at 8am and close at 6pm, you can collect your child at any time during the day but they must be collected by 6pm.

Our contact details are -

Playscheme telephone number - 0207 281 3646

playscheme mobile - 07904464180
